Dear Sir:

I have been given your name by Mr S.H.Posey  
I am writing to ask if you would like to play The  
Eagles in Greenville Thursday April 26th?

If we arrange the game, is there anyplace  
in the city the ballclub can stay?

I assume from Poseys letter you have a local  
team we would play. If you are interested please  
answer right away, as the time is very short. Would  
you want me to order the window cards. If so what  
information would have to go on them? Also how many  
would you use?

Please answer right away, as the time is  
not far away. I should have written you sooner, but  
I was depending on some one else to take care of the  
dates.

Thanking you in advance for an early reply  
one way or the other.

Very Truly Yours
